

# Adios Amigo

**Tom Astor**

Adios amigo, adios my friend  
The road we have traveled has come to an end  
When two love the same love, one love has to lose  
And it's you who she longs for, it's you she will choose  
Adios compadre, what must be must be  
Remember to name one muchacho for me  
I ride to the Rio, where my life I will spend  
Adios amigo, adios my friend  
Adios compadre, let us shed no tears  
May all your mananas bring joy through the years  
Away from these memories, my life I must spend  
Adios amigo, adios my friend
