Life Is Waiting

Faber Drive

If I said let's run away
Won't you leave with me tonight?
I've already packed my bags
Would you take me for a ride?
I can't do this alone
I need you by my side
I don't wanna go
Without you

Life is waitin'
Gonna gonna break break out
Time is wastin'
Won't you come and save me now
I just wanna disappear
Could be anywhere but here
Life is waitin'
To take me away

Ooh, and take me away
Ooh, (come and take me away)

Driving down the road
I finally feel alive
It doesn't matter where we go
Put the windows down and drive
The wind is in my hair
The stars are in your eyes
Our dreams are in the air tonight

Life is waitin'
Gonna gonna break break out
Time is wastin'
Won't you come and save me now
I just wanna disappear
Could be anywhere but here
Life is waitin'
To take me away

We go now and never come back
Gonna write a brand new story

We're we goin'? Gonna get there fast
Yeah I know you'll be there for me
Won't do this alone
I need you by my side
Our dreams are in the air
Tonight

Life is waitin'
Time is wastin'
Come and save me now

Life is waitin'
Gonna gonna break break out
Time is wastin'
Won't you come and save me now
I just wanna disappear
Could be anywhere but here

Life is waitin'
Gonna gonna break break out
Time is wastin'
Won't you come and save me now
I just wanna disappear
Tell me that you were right here
Life is waitin'
Won't you come and take me away
