

At the Concert

Michael Henderson

Instrumental

Sad, I felt bad when I heard the news you couldn't come to see me

I wasn't very open-minded oh oh the things we said left us brokenhearted

I hope, to make it better ooh make it better real soon and I'll show you that I will if you can if you can

Get away, get away, from all the crowds just you and me

Could we make up? Umhum I want to make up with you. I want to make up with you

(at the concert) 4 x

Please be my friend darling don't decline. Cause if we get it right, this has got to be it this time.

Feeling bad (feeling bad) sometimes brings you all the way down oh hoo hoo oh oh oh oh I hope to make it

better real soon real soon

And I'll show you that I will if you can come on and get away, get away, from all the crowds just you and me
