

# Massachusetts

Aaron Lewis

I sit here on the stairs and listen to  
The night time as the daylight fades away  
It's such a haunting and familiar tune  
When I hear it in the distance, I can say That I'm home in Massachusetts  
Where my daughters and my wife they wait for me  
All alone but the truth is  
It's where I always am, it's where I long to be  
Because I'm home The North Shore is where my father lives  
I wear my Red Sox hat around the world with pride  
But the Berkshires are where my heart is  
And when I see them in the distance I could cry Because I'm home in Massachusetts  
Where my daughters and my wife they wait for me  
All alone but the truth is  
It's where I always am, it's where I long to be Nyla started preschool and Indie just turned two  
And Zoe's just the perfect mix of me and you  
They keep getting older and time keeps going by  
To think about it makes your Daddy wanna cry So I just pass the sign that welcomes me to Worthington  
Established long before this country came to be  
A place that hasn't really changed with time  
The way this country that I love it used to be Because I'm home in Massachusetts  
Where my daughters and my wife they wait for me  
All alone but the truth is  
It's where I always am, it's where I long to be Because I'm home, in Massachusetts  
Where my hero teaches classes every day  
Where my friends don't treat me different  
It's where my family is, it's where I'll always stay Because I'm home
