

The Sky Is Crying

George Thorogood & The Destroyers

The sky is crying,
Look at the tears rolling down the streets.

The sky is crying,
Look at the tears rolling down the streets.

I looked out my window,
The rain was falling down in sheets.

My baby left me this morning,
Lord knows I don't know the reason why.

My baby left me this morning,
I don't know the reason why.
And everytime I think about it,
I hang my head and cry.

The sun is shining,
Although it's raining in my heart.

The sun is shining,
Although it's raining in my heart.

I love my baby,
I hate to see us part.

Have you ever loved a woman
And you know you can't leave her alone?
Something deep inside of you
Won't let you wreck your best friend's home.

I got rambling,
I got rambling all on my mind.

I got rambling,
I got rambling all on my mind.

I hates to leave my baby,
But she treats me so unkind.
