

# One More Day

Vast

Have you heard?  
Have you tried to understand?  
Its all right  
It gets easy on with time  
How are you?  
Are you ever comming back?  
I have changed  
And Ive realized I was wrongI was wrong  
Now Ill never see your face, anymore  
Oh my love,  
Id give anything for one more day with youIm getting through  
Wish you felt the way I do  
I have changed  
And Ive realized I was wrongI was wrong  
Now Ill never see your face, anymore  
Oh my love,  
Id give anything for one more day with you
