Lips On You

Maroon 5

You keep me connected to you, like I was your shadow
You're givin' me answers to all of my questions here on my pillow, oh
Can't nothing get in between us, baby
We've been waiting on this moment for so long
You wanna be reckless, restless, right until tomorrow
WaitWhen I put my lips on you
I feel the shivers go up and down your spine for me
Make you cry for me
When I put my lips on you
I hear your voice echoing all through the night for me
Baby, cry for me
When I put my lips on you (when I, when I, when I)
When I put my lips on you (when I, when I, when I)
Just turn off the lights and you could be my private dancer
When we close the curtains
You and me can forget all our manners, oh
The neighbors must think that we're crazy, baby
'Cause look how easily we keep coming undone
You wanna be reckless, restless, right until tomorrow
WaitWhen I put my lips on you
I feel the shivers go up and down your spine for me
Make you cry for me
When I put my lips on you
I hear your voice echoing all through the night for me
Baby, cry for me
When I put my lips on you (when I, when I, when I)
When I put my lips on you (when I, when I, when I)
When I put my lips on you (when I, when I, when I)
When I put my lips on you (when I, when I, when I)
When I put my lips on you
I feel the shivers go up and down your spine for me
Make you cry for me
When I put my lips on you
I hear your voice echoing all through the night for me
Baby, cry for me
Baby, when I put my lips on you (when I, when I, when I)
When I put my lips on you (when I, when I, when I)
When I put my lips on you (when I, when I, when I)
When I put my lips on you (when I, when I, when I)
