Wifey

Finesse

I don't wanna be the type of guy
Comin' home every night thinkin' bout how I got it all made
All the money and fancy cars don't mean a thing
If there's no one to share it with

Had enough of this playin' round
Now it's time I'm a settle down
She gotta be the type to hold a thug down right
Know how to do me right for the rest of my life

I'm lookin' for that wifey
One who's down, she'll have my back when
Times get rough (I'm lookin' for that)
Wifey
She's always there through
Thick and thin
Someone who cares
I'm lookin' for that someone I can make my babies with
I'm lookin' for that someone I don't mind her spendin' all my dough
Girl could you be for me?
I'm lookin' for that wifey
Wifey

Had enough of runnin' the streets, it ain't for me
But my homies don't understand
All the women from in my past, they didn't last
Now I've found myself all alone

Had enough of hittin' the clubs
All I'm finding is groupie love
See what a real man needs is female company
And not just physically, she gotta be all that I need

I'm lookin' for that wifey
One who's down, she'll have my back when
Times get rough (I'm lookin' for that)
Wifey
She's always there through
Thick and thin
Someone who cares

I'm lookin' for that someone I can make my babies with

I'm lookin' for that wifey
Wifey

She'll be the one I can spend my life with
(over and over again)
No matter how far I go she'll always wait for me
Cause God knows I have tried to find
One who has everything I need
Know how to be a lady in the streets
But a freak between the sheets
She gotta be the one that I call my wifey

I'm lookin' for that wifey (yeah)
One who's down, she'll have my back when
Times get rough (I'm lookin' for that)
Wifey
She's always there through (baby)
Thick and thin
Someone who cares
I'm lookin' for that someone I can make my babies with
I'm lookin' for that someone I don't mind her spendin' all my dough (I don't mind it no)
Girl could you be for me?
I'm lookin' for that wifey
Wifey

I'm lookin' for that wifey (I'm looking for my...)
One who's down, she'll have my back when
Times get rough (I'm lookin' for that)
Wifey
She's always there through (she's always there)
Thick and thin
Someone who cares
I'm lookin' for that someone I can make my babies with
I'm lookin' for that someone I don't mind spendin' all my dough
Girl could you be for me? (Can you tell me girl?)
I'm lookin' for that wifey
