

# Mr. Me (feat. The Other Thing Brass Band)

## They Might Be Giants

Yo yo yo

Yo yo yo

Yo yo yo

Yo yo

Once a boy named Mister Me bemoaned a great regret  
I've floundered in the misty sea, but can't abide its mystery

I wound up sad, you bet Yo yo yo

Yo yo yo

Yo yo yo

Yo yo

So onward go and Edward Ho into the boundin' main  
Enjoy the show look out below but mind the misty sea

Or end up sad like Mister Me He ended up sad

He ended up sad

He ended up really, really, really sad

He ended up sad

He ended up sad

He ended up really, really, really sad Yo yo yo

Yo yo yo

Yo yo yo

Yo

So take the hand of Mister Me and mister  
Make him glad to swim the Mister Misty Sea and sees  
The Mister Mystery that mister made him sad He ended up sad

He ended up sad

He ended up really, really, really sad

He ended up sad

He ended up sad

He ended up really, really, really sad He ended up sad

He ended up sad

He ended up really, really, really sad

He ended up sad

He ended up sad

He ended up really, really, really sad
