

We Turn Up (feat. French Montana)

[Anjali](#)

It's Friday night
So you know that it's going down
Everybody lookin' for a party
We got all the invitations
And we choosing now
Forever we go it doesn't even matterLet me get it right
Like we dance ...
Running this town like a mayor
Going up to the groove like we just don't care
Forever we go it doesn't even matterOoh the lights are on me now
And we dance the night away
The DJ bumping loud
So we go all night till we see the sunlight
Let me turn up, let me turn up
Now we're on the floor 'cause you want some more
Let me turn up, let me turn up
Hands up
Let me turn up, let me turn up
