

# Crucified

## Accept

Life is like a slot machine  
Nothing's guaranteed  
You might give your soul away  
To cut yourself a deal  
I really hate uncertainty  
Will I win or lose[Chorus]  
Ain't nothing but a game  
Going insane, roll the dice again  
Crucified, deep inside  
I'm feeling crucifiedLife is like a lottery  
Can I ever win  
Will it be another one  
Or me, who's cashing in[Chorus]
