

Flight to Heaven

Amanda Perez

Whoah woah woah Uh Huh
oooh ohhh Sometimes I feel alone ooh ooh
Sometimes my house don't feel like a home
and I feel like I'm dying inside
I feel like I'm losing inside A side of something special
'Cause that rain keeps fallin down my window
It's the sun I need to see
The wind so I can breathe Wish that I could take one flight to heaven
'Cause I miss my best friend
One flight to heaven
Just to see you again
'Cause I have so many questions
But if I only get one
Tell me are you
Tell me are you
Waiting for me All my love for you
Tears I've cried are true
Dancing with the stars
Walking on the clouds
And I feel like my road keeps getting rough
But I can hear you say
Baby don't give up Wish that I could take one flight to heaven
'Cause I miss my best friend
One flight to heaven
Just to see you again
'Cause I have so many questions But if I only get one
Tell me are you
Tell me are you
Waiting for me Now I lay me down to sleep
Oh Oh I pray the Lord my soul to keep
If I should die before I wake
I pray that I see your face
Wish that I could die
Wish that I could die
'Cause I miss my best friend One flight to heaven
('Cause I miss, 'Cause I miss my best friend)
Just to see you again
'Cause I have so many questions
('Cause I have so many questions)

But if I only get one
Tell me are you (Tell me are you)
Tell me are you (Tell me are you)
Waiting for me
