

# Tangerine

## Led Zeppelin

Measuring a summer's day  
I only find it slips away to gray  
The hours they bring me pain  
Tangerine, Tangerine  
Living reflections from a dream  
I was her love, she was my queen  
And now a thousand years between

Thinking how it used to be  
Does she still remember times like these?  
To think of us again and I do  
Tangerine, Tangerine  
Living reflections from a dream  
I was her love, she was my queen  
And now a thousand years between
