

The Healer Hasn't Lost His Touch

Tribute Quartet

(Verse 1)

I hear the doubters say
You don't see many miracles these days
And I see so many broken ones
Just waiting for there answers to come
To those who've grown weary,I've got good news
So hold on and be strong keep trusting it's true

(Chorus)

The healer hasn't lost his touch
He's still almighty , the unchanging God
Of power,he's still showing up
I don't know when,I don't know how
But I know this much
The healer hasn't lost his touch

(verse 2)

I've been a desperate soul
A voice crying out to be made whole
And I've felt the empty ache
So helpless I that lonely place
But I've found him faithful,I've seen him move
This is my story,and I'm living proof

(Chorus)

The healer hasn't lost his touch
He's still the almighty unchanging God
Of power,he's still showing up
I don't know when,I don't know how
But I know this much
The healer hasn't lost his touch

(Bridge)

He still restores
He still redeems
He still renews
And I still believe

(Chorus)
