

Breakfast In Bed

Joan Osborne

You've been crying, your face is a mess
Come in baby, you can dry your tears on my dress
She's hurt you again, I can tell
Oh, I know that look so well
Don't be shy, we have been here before
Pull your shoes, lie down and I will lock the door
And no one has to know, you've come here again
Knowing it will be, like it's always been before
Breakfast in bed, kisses for me
You don't have to say you love me
Breakfast in bed, love can make you sing
What's your hurry? Please don't hit and run
We can let her wait my darling it's been so long
Since I've had you here, you've returned again
Darling it will be like it's always been before.
Breakfast in bed, kisses for me
You don't have to say you love me
Breakfast in bed, love can make you sing.
Breakfast in bed, kisses for me
You don't have to say you love me
Breakfast in bed, kisses for me
You don't have to say you love me
Breakfast in bed, kisses for me
You don't, you don't, you don't have to say you love me
Say you love me
Say you love me
