

# Brother Warrior

[Kate Wolf](#)

Gentle warrior  
With your heart like gold and a rainbow in your eyes  
Brave companion  
Do you see a world shining in the sky?  
With your body dancing like an arrow  
Spreading joy beneath your feet  
And your hands they wave like tall grass  
In the wind as you speak With the shyness of a small child  
And the wisdom of a saint  
I tell ya now  
There is no reason to be afraid Brother warrior  
There are none of us who walk this path alone  
Spirit healer is the only life that we have ever known  
I see your smile in the sunlight  
I hear your song in the rain  
And I hold you here inside me  
Feel your love and know your pain At this time when the earth is waking  
To the dawn of another age  
I tell ya now  
There is no reason to be afraid
