Pick Me Up

Hollerado

When I'm giving up on encour my notebook expedition
Where I claim see the flashes
Far from the window in our kitchen
When I'm giving up on sane the drugs for my head
All those things I couldn't think of, but I really wish I said
Bridge:
I don't want no hopeless, hopeless,
I don't want no hopeless life
I don't want no hopeless, hopeless,
I don't want no hopeless life
Chorus:
If I fall back down
You'd pick me up, yeah
You'd pick me up!
If I fall back down
You'd pick me up, yeah
You're in the basement, watching Muppets on TV
And I'm in the kitchen, and I refuse to leave
You say, "come and take a manual, make a Honolulu bell
While I'm aching in my echos, and my eyes are looking down!"
Just to see if I feel bad about it, it makes me bleed it out
Well I worry how one day we're going ...
Say yeah, you're probably right
For once, so come on, let's get a drink!
Bridge:
I don't want no hopeless, hopeless,
I don't want no hopeless life
I don't want no hopeless, hopeless,
I don't want no hopeless life
Chorus:
If I fall back down
You'd pick me up, yeah
You'd pick me up!
If I fall back down
You'd pick me up, yeah
And we are young, and in love
We are twirling through space
I'm the luckiest around
In the loneliest place! (x2)

Chorus:
If I fall back down
You'd pick me up, yeah
You'd pick me up!
If I fall back down
You'd pick me up, yeah
