Breaking the Angle Against the Tide

Craft Spells

Its hard to keep around when you feel dead inside all the time
Think Ill leave you for the hardest of times
So breaking the angle against the tide and called it mine
Youve wasted too much of my time sometime
In the heart of haze its hard to cry, stay inside
Find within, I cant put it aside
So breaking the angle against the tide and called it mine
Youve wasted too much of my time sometime
