Alaine

(Feelin'...ooh)

[Verse 1]

I can't imagine, living without you (without you)
My world would just stop, spinning without you(without you)
Floatin' on a cloud each time you say my name
I wanna scream out loud - YOU're drivin' me insane(driving me crazy baby)

(chorus)
Each time you call i wanna fall
Deeper and deeper and deeper,
Each time we kiss i'm feelin' it
Deeper and deeper and deeper
When you love me like you do baby,
i wanna give my whole to you,
Take full control, please baby call
Deeper and deeper and deeper

[Verse 2]

You say you would do anything for me(for me)
You know how i kept my everything for you(for you)
I promise I'll make sure to keep you satisfied,
Just trust me baby, hold me tight,
Enjoy the ride(i'm gonna drive you crazy)

(chorus x2)

[Bridge]

I'm floating on a cloud
Each time when you say my name,
i wanna scream out loud:
You're driving me
