Eat Me

50 Ways To Kill Me

What's on your mind, don't be shy?
There's no sense resisting
We both know the deal, it's alright'Cos I'm here, I'm here to stay
You've got me all night if you want me
I won't go awayEat my heart out and when I wake up
I can't remember how I got here
All I know is I don't careNo dog, you can't chew my bone
I better go now, I'll call a taxi
I can't look you in the eye
I don't wanna see you anymore
No dog, you can't chew my boneI won't pretend, I'm not confused
She's full of surprises
She knows I just can't refuseShe says 4's fun, but you're the one
A clean body and a dirty mind
We're two of a kindEat my heart out and when I wake up
I can't remember how I got here
All I know is I don't careNo dog, you can't chew my bone
I better go now, I'll call a taxi
I can't look you in the eye
I don't wanna see you anymore
No dog, you can't chew my boneWe could be lonely, we could be lonely
We could be lonely, we could be lonely, lonely, lonely
We got to chew nowNo dog, you can't chew my bone
Eat my heart out and when I wake up
I can't remember how I got here
All I know is I don't careNo dog, you can't chew my bone
Eat my heart out and when I wake up
I can't remember how I got here
I better go now through the window
As I wake up, we got to chew now
