

On a Rainbow

Andrew Maxwell Morris

Someday, Iâ€™ll find you on a rainbow
Waiting for me to come home.
Maybe, youâ€™ll walk
Back in the wrong direction
Hoping I donâ€™t notice you go.

Woah, Woah
Woah, Woah.

People, they tell me I live on your side
Protecting you, from time to time.
Just to make it clear, Iâ€™m a soldier for you.
Iâ€™ve been fighting, alone on the front.

Woah, Woah
Woah, Woah.

Some things they may never change
Even if you try to ruin and hide
And people their heads may turn.
Weâ€™re different, but weâ€™re still the same.

Maybe, youâ€™ll come back another day
And Iâ€™ll figure out where youâ€™ve been
Someday Iâ€™ll find you on a rainbow
Waiting for me to come home.

Woah, Woah
Woah, Woah.
