Burning Rodney

Russell Morris

V1: Down in Toronto where the Darling River flows
My fathers father sheered before yous were born
You come to take be careful what you might get
Cause all the stock breakers they will end in a mess(chorus) We're taking you blind,
we're burning Rodney right down to the water-lineV2: Now rolling out that welcome mat so no
They bring you down here so he can pay us dough
They played is like us, so you must understand
Don't be no Judas, don't go work for the man(chorus) We're taking you blind,
we're burning Rodney right down to the water-line(Bridge) Come on as a boss Judas whore
Your more like us, and that's for sure
Let's stick together and be us against them
And we can start a fire, mat that mighty win
(SOLO)V3: Waterfront station has been pulling in spite
Moving all the fleece on the river at night
And Captain Willie Dixon is a company man
Their tearing us apart and the heart of this land(chorus) We're taking you blind,
we're burning Rodney right down to the water-lineX3
