

# We've Had Enough

**Michael Jackson**

I'll plant you a garden  
Of laughter and tears  
With rain and with sunshine  
Love will grow through the years  
The dreams that we're dreaming  
Have time to come true  
And forever is meant for so very few  
We shall have music  
We shall have rhyme  
We shall have each other  
One minute after the end of time  
Then we'll add up the pleasure  
And treasure the sums  
Caring is sharing  
A cake and the crumbs  
How lucky we are to be me and you  
And forever is meant for so very few
