

# Look Away

## Big Country

This time we run  
This time we hide  
This time we draw  
On all the fire we have inside We need some time  
To find a place  
Where I can wipe away  
The madness from your face Our name is out  
Our name is known  
Our name is everywhere  
But who knows where we're flown I never meant  
To kill a man  
But I will show you  
How to live like no one can So look away, look away  
Hide your eyes from the land  
Where I lie cold Look away, look away  
From the lies in the stories  
That were told Look away, look away  
From the love that I hide  
Way down deep in my soul I met you wild  
In a snowed up town  
When I was waiting tied  
And bound to be sent down Then I broke loose  
You weren't around  
So I raised banks  
And trains until I tracked you down Now look away, look away  
Hide your eyes from the land  
Where I lie cold Look away, look away  
From the lies in the stories  
That were told Look away, look away  
From the love that I hide  
Way down deep in my soul You followed me  
When I said no  
You lay with me when there was  
Nowhere safe to go We made some friends  
But now it's done  
I always knew that we would  
Never find the sun So look away, look away  
Hide your eyes from the land  
Where I lie cold Look away, look away

From the lies in the stories  
That were toldLook away, look away  
From the love that I hide  
Way down deep in my soulNow look away, look away  
Hide your eyes from the land  
Where I lie coldLook away, look away  
From the lies in the stories  
That were toldLook away, look away  
From the love that I hide  
Way down deep in my soul
