

Creature of the Demon (Live at Trix)

Kadavar

The day turns into darkness
She rises from my dream
The creature of the demon

All she does is die
You hear her screams are calling
She's coming up to me
Fear's taking over
There is no way to escape for me

She turns into ashes
The fire burns my eyes
But I can never stop her
Though she may have made her mind

I can see you Lucifer
in the prison in her smile
Let me give her one last kiss

before I let her die
I won't feel you
I won't see you
I won't get you
Out of my head
Feels like fever
Don't get me down
Give me fever
Give me fever
