

Black Rosary

Six Reasons

Intro

I mean, it kinda all started out hypothetical, none of us actually thought it would ever really happen

Pre-Hook

It must of meant for me to be rich, if only my real ni**** could of lived to see this
lived to see this, lived to see this, if only my real ni**** could of lived to see this

Hook

Black Rosary, Black Crucifix
Black Rosary, Black Crucifix
Black Rosary [Black] Black Crucifix [Black]
Black 9mm for these lucifers

Black Rosary, Black Crucifix
Black Rosary, Black Crucifix
Black Rosary [Black] Black Crucifix [Black]
Black 9mm for these lucifers

Verse

Black Rosary, Black Crucifix, Double parked who the f*** black coupe is this
In the red zone, with a redbone, wearing red stones
Ni*** I shine bright like vegas lights
gotta her blowing on my d*** like Vegas dikes
say she go both ways that my favorite type haaa
got da** I live a crazy life
I know you see the glamour and the glitter but ni**** did you ever stop to consider
I come from the gutter like litter

screams[yeaaah]

Pre-Hook

It must of meant for me to be rich, if only my real ni**** could of lived to see this
lived to see this, lived to see this, if only my real ni**** could of lived to see this

Black Rosary, Black Crucifix
Black Rosary [Black] Black Crucifix [Black]
Black 9mm for these lucifers

Verse 2

They don't want to see me shopping on Melrose,
They rather see a ni*** wearing jail clothes
locked up 3 strikes like some shell toes
but Im tryna stay on track like a railroad [yeeaaah]
I see em hating on the sidelines
you bi***** couldn't walk a mile in my size nines
you cant seem to find a job but you can find time
to try criticize a ni*** into high signs
Thats why you always see me solo
hugging bad bit***** in my photos
showing off my Louie V logos

screams [yeeahh]

Pre-Hook

It must of meant for me to be rich, if only my real ni***** could of lived to see this
lived to see this, lived to see this, if only my real ni***** could of lived to see this

Black Rosary, Black Crucifix
Black Rosary [Black] Black Crucifix [Black]
Black 9mm for these lucifers

Verse 3

Cause money bring jealousy, jealousy is danger
d*** its a shame when you feel safer around strangers
praying to my banger please don't jam
head in the cloud rosaries in my hand

screams [yeeeahhh]

Pre-Hook

It must of meant for me to be rich, if only my real ni***** could of lived to see this

lived to see this, lived to see this, if only my real ni**** could of lived to see this

Black Rosary, Black Crucifix
Black Rosary [Black] Black Crucifix [Black]
Black 9mm for these lucifers

Black Rosary, Black Crucifix
And my God is a good God
Its like I angel spoke to me and I heard em saying Good Job

Outro

Every saint has a past and ever sinner has a future
Its like real crazy man when I look around and you don't see nobody that you that you saw, that you use to play
handball with or kickball with man, its just all new people, its like..
A nigga once told me no matter how big your mansion is ,you can only sleep in one room at a timeâ€¢I aint never
seen a Uhaul follow a hearst, at the end of the day all you got is your memories
