

# Your Heart Is As Black As Night

[Beth Hart](#)

Your eyes may be whole  
But the story I'm told  
Is that your heart is as black as night  
Your lips may be sweet  
Such that I can't compete  
But your heart is as black as night[Repeat x2]  
I don't know why you came along  
At such a perfect time  
But if I let you hang around  
I'm bound to lose my mind  
'Cause your hands may be strong  
But the feeling's all wrong  
Your heart is as black a night Your heart is as black  
Oh, your heart is as black as night  
Ah-ah ooo
