

# Emergency

## Girlschool

Gotta make out things they said  
Spent too many nights getting out of my head  
They must be mad, must be blind  
Driving me crazy right out of my mind  
Nine nine nine Emergency (Emergency)  
Nine nine nine Emergency (Emergency)  
Nine nine nine Emergency (Emergency)  
Nine nine nine Emergency  
Oh no!  
Nine nine nine Emergency (Emergency)  
Nine nine nine Emergency (Emergency)  
Nine nine nine Emergency (Emergency)  
Nine nine nine Emergency Emergency  
Can't seem to think, can't decide  
Times running out on the other side  
Where to run, what to do  
Better not hide so I can't find you  
Nine nine nine Emergency (Emergency)  
Nine nine nine Emergency (Emergency)  
Nine nine nine Emergency (Emergency)  
Nine nine nine Emergency  
Oh no!  
Nine nine nine Emergency (Emergency)  
Nine nine nine Emergency (Emergency)  
Nine nine nine Emergency (Emergency)  
Nine nine nine Emergency Emergency
