Playing With Fire (ft Mr Hudson)

N-Dubz

I don't slip or trip when she asks me where I've been (Where you been)
One big smile on my face zip it darling it's just you and me (You and me)
Now I'm on some Alfie behaviour, I'll call you back later
Too many fish in the sea for me
But when the lights come on, and what's her name is gone
I realise where I'm supposed to beI tried to believe every word of your sweet story
But intuition keeps telling me
You're making a fool outta me'Cause I'm such a good liar
Just admit it (I never did it)
Yes you did it (No I didn't)
Ay
I'm playing with fire
Just admit it (I never did it)
I know you did it (No I didn't)
Yes you did
'Cause I'm such a good liarI can't help myself, I keep playing with fireThoughts running right through the night as I watch you sleep
(She's gettin' closer)
I can't help but check his text, while he's passed out next to me
(It's only a matter of time)
I'm on some CSI behaviour, who's gonna save ya
You'll be the fool when the truth comes out
So when those lights come on, and what's her face is gone
We're straight back to the same routineI tried to believe every word of your sweet story
But intuition keeps telling me
You're making a fool outta me'Cause I'm such a good liar
Just admit it (I never did it)
Yes you did it (No I didn't)
Hey
I'm playing with fire
Just admit it (I never did it)
I know you did it (No I didn't)
Yes you did
'Cause I'm such a good liarI can't help myself, I keep playing with fireLiving life in disguise, can't keep up with these lies
You do anything to try and catch me out, but I never leave no signs
In my heart we was meant to be
But guys like me be like two or three
I can't help myself I love girls, I can't kick out playing with fireI can't kick out playing with fire

Playing with fire
Playing with fireShe ain't goin' nowhere
Know why?'Cause I'm such a good liar
Just admit it (I never did it)
Yes you did it (No I didn't)
Ay
I'm playing with fire
Just admit it (I never did it)
I know you did it (No I didn't)
Yes you did
'Cause I'm such a good liar
Just admit it (I never did it)
Yes you did it (No I didn't)
Oooooh
I'm playing with fire
Just admit it (I never did it)
I know you did it (No I didn't)
Yes you did
'Cause I'm such a good liarI can't help myself, I keep playing with fireI'm such a good liarLiar
