

# High and Lifted Up

Michael White

Come on, put those hands together if you know that He is a worthy God,  
those blessed hands together and bless His name, oh, yeah  
Hallelujah

We give you praise in this house, ooh, we exalt you, yeah, yeah.

We exalt your name oh Lord (we exalt your name of Lord)  
You are high and lifted up (high and lifted up) 2x

Your grace and mercy, we proclaim (your grace and mercy we proclaim)  
forever I will praise your name (forever I will praise your name)2x

We exalt your name oh Lord (we exalt your name of Lord)  
You are high and lifted up (high and lifted up) 2x

Your grace and mercy, we proclaim (your grace and mercy we proclaim)  
forever I will praise your name (forever I will praise your name)2x

Because you're worthy, because you're great, we lift our hands, our hands upraised, you are worth God to be  
praised all over this temple tonight.

I lift my hands to thee (I lift my hands to thee)  
With all I am I worship you (With all I am I worship you)3x

I lift my hands to thee, OOh Lord (ooh Lord) , you are (high and lifted up)

I lift my hands to thee (I lift my hands to thee)  
With all I am I worship you (With all I am I worship you)4x

C,mon everybody,lift your hands in the temple tonight,  
with all I am I worship you (with all I am I worship you)  
you deserve glory, I lift my hands to thee, (I lift my hands to thee)

Ooh, Lord, (Ooh Lord) you are (high and lifted up)

Lift my hands to thee, ( I lift my hands to thee)  
with all I am I worship you (with all I am I worship you) -Until end
