

# Got To Get You Into My Life

## Earth, Wind & Fire

Got to get you into my life, into my life  
Got to get you into my life, into my life  
Got to get you into my life, into my life  
Got to get you into my life, into my life  
Got to get you into my life, into my life I was alone, I took a ride  
I didn't know what I would find there  
Another road where maybe  
I could see another sign there  
Oo, then I suddenly see you  
Oo, and did I tell you I need you  
Ev'ry single day of my life You didn't run, you didn't lie  
You knew I wanna to hold you  
And had you gone you knew in time  
We'd meet again for I had told you  
Oh, you were meant to be near me  
Oh, I really want for you to hear me  
Say we'll be together every day Got to get you into my life  
Got to get you in, got to get you into my life  
Got to get you into my life  
Got to get you in, got to get you into my life  
Got to get you into my life Ooo, then I suddenly see you  
Ooo, and did I tell you that I need you  
Every single day of my life Got to get you into my life  
Got to get you in, got to get you into my life  
Got to get you into my life  
Got to get you into my life Got to get you in, got to get you in  
Got to get you in, got to get you in  
Into my life  
Got to get you into my life  
Got to get you in, got to get you in  
Got to get you in, got to get you in  
Into my life  
Got to get you into my life  
Got to get you in, got to get you in
