African Queens (Reprise)

The Ritchie Family

Now we're getting hot, Gone too far to stop
What about the faces on the movie screen?
Dress them up in pearls, Give their hair a whirl
Tryin', but they'll never pass to be the Queen

Be queens with different shades of love
Be queens, Forget the ones you're shown
Be queens, Each with a life plan of her own
Of her own, Oooh, yeah

Nefertiti, Cleopatra and the Queen of Sheba,
and the Queen of Sheba
Nefertiti, Cleopatra and the Queen of Sheba,
and the Queen of Sheba
Nefertiti, Cleopatra and the Queen of Sheba,
and the Queen of Sheba
Nefertiti, Cleopatra and the Queen of Sheba,
and the Queen of Sheba

African Queens, Africa
African Queens, Africa
African Queens, Africa
African Queens, Africa

Nefertiti, Cleopatra and the Queen of Sheba,
African Queens, Africa
Nefertiti, Cleopatra and the Queen of Sheba,
African Queens, Africa

Nefertiti, Cleopatra and the Queen of Sheba,
African Queens, Africa
Nefertiti, Cleopatra and the Queen of Sheba,
African Queens, Africa

fade
