It's All Good

Damien Dempsey

I am an angry man, yeah
I vent it when I can, yeah
On the bag, not the skagThe negativity, yeah
Pushed onto young paddy, yeah
Is a shame, who's to blame?And when the baby cries, yeah
She has been criticized, yeah
Been put down, it's passed downBut it's all good, it's all good
All I say to you today
It's all good an' sure it's all good
All I say to you todayAnd positivity, yeah
It is the way for me, yeah
It is truth, it is youthThey try to keep us down, yeah
They hide the high kings crown, yeah
From the Gaels, Kathleen wailsAnd to survive their sting, yeah
You have to be the king, yeah
Grasp the wealth of yourselfBut it's all good, it's all good
All I say to you today
It's all good, sure it's all good
All I say to you todayLove yourself today
Okay, okay
Love yourself today
Okay, okay
