

If You Could Read My Mind

Neil Young

If you could read my mind love
What a tale my thoughts could tell
 Just like an old time movie
 About a ghost from a wishin' well
 In a castle dark or a fortress strong
With chains upon my feet You know that ghost is me
 And I will never be set free
As long as I'm a ghost that you can see If I could read your mind love
 What a tale your thoughts could tell
 Just like a paperback novel
 The kind the drugstore sells
When you reach the part where the heartaches
Come the hero would be me but heroes often fail
 And you won't read that book again
Because the ending's just to hard to take I'd walk away like a movie star
 Who gets burned in a three way script
 Enter number two, a movie queen
 To play the scene of bringing
 All the good things out in me
oh for now love let's be real I never thought I could feel this way
 And I've got to say that I just don't get it
 I don't know where we went wrong
But the feelings gone and I just can't get it back If you could read my mind love
 What a tale my thoughts could tell
 Just like an old time movie
 About a ghost from a wishing well
 In a castle dark or a fortress strong
With chains upon my feet the story always ends If you read between the lines
 You'll find that I'm just trying to understand
The feelings that you lack I never thought I could feel this way
 And I've got to say that I just don't get it
 I don't know where we went wrong
But the feelings gone and I just can't get it back
