

# Dead As Yesterday

## Black Label Society

It'll leave you with nothin' to say  
Lost without a way  
Ain't it funny, child, love sometimes leaves you  
As dead as yesterday? Hoping to hold a handful of sunshine  
Like a child told it cannot play  
Never ever be Lord, love would leave me feeling  
As dead as yesterday Oh Lord, could You help me find some shelter?  
Oh Lord, could You help me find some shelter?  
Oh Lord, could You help me find some shelter?  
Oh Lord, could You help me find some shelter? Yeah It'll leave you feeling hollow and helpless  
And there is where you'll stay  
Ain't it funny, child, love sometimes leaves you  
As dead as yesterday? As dead as yesterday  
As dead as yesterday
