

Don't Need You

Alejandro Escovedo

Ladies and gentlemen
Yes, sir
Let's do it
Yes, sirYo, on and on and my nuts, I'm palming
Take two of these and call me in the morning
You should see the way the chain heart is a charmin'
Flying like a bird like Nelly FurtadoShit, pop ya bottles, toast and scream, Cheers!
Getcha two step cuz it's the record of the year
Nigga that brought you ice creams, 2 for a pair
Officially announcing this is warfareCuz back in the day my clouds was gray
And it seemed like my angels couldn't blow them away
But then I sold my first verse and copped that NSX
But I was still ridin' in them thin ass jets, but nowMan, my business so clear out the window of the Lear
And I'm talking on my celly, all this shit that you should hear
Listen clearly now
Hello, can you hear me now?Can I have it like that?
You got it like that
Can I have it like that?
You got it like thatCan I have it like that?
You got it like that
Can I have it like that?
You got it like thatSo, drop ya purse and grab ya hips
And act like ya tryin' to get this money right quick
So can I have it like that?
You got it like that
Can I have it like that?
You got it like thatOn and on and this beat is zoning
I control they mind from straight over the phone and
Let 'em explore the words something like a tourist
And never get addicted unless the heady wop is seriousFrom Louisville to Jimmy Choos, he's real
She knows the time, she sees the Richard Mille
Flat double skeletal tour billion
It's just like her body move, it turns her onShe like the way my hands use her body for hand warmers
And all our car doors go up like transformers
See I can do it this away, I can do it that away
From the crib in Virginia to that new Miami getawaySo cool it like new edition unless you hot as you say
I'll get it, okay, let it boil away
But please run along, cuz ladies is feelin' wrong
And I got some right for 'em right after this song

My name is Skateboard PLadies and gentlemenCan I have it like that?

You got it like that

Can I have it like that?

You got it like thatCan I have it like that?

You got it like that

Can I have it like that?

You got it like thatSo, drop ya purse and grab ya hips

And act like ya tryin' to get this money right quick

So can I have it like that?

You got it like that

Can I have it like that?

You got it like thatOn and on and the temperature's warming

I spit heat flashes, niggas get nauseous

Bright as a bitch, so analyze with caution

When the light hit the ice bet a 100 that you vomitShould I mention the fact the transition is the track?

New incision to the vision just to get me where I'm at

Lil' Skateboard he too grown

Riding up and down Collins in that new two-toneIt's so cold you don't wanna feel the chill of it

(Uh!)

Just stand back and just look at the grill of it

(Uh!)I don't smoke but I bet the sensamill of it

It totally intensifies the vivid ass appeal of itYou can be jealous and grit ya teeth

But all these little niggas got something in reach

So, you want heat? These niggas can front heat

While on my boat party trying to sun seek

My name is Skateboard PLadies and gentlemenCan I have it like that?

You got it like that

Can I have it like that?

You got it like thatCan I have it like that?

You got it like that

Can I have it like that?

You got it like thatSo, drop ya purse and grab ya hips

And act like ya tryin' to get this money right quick

So can I have it like that?

You got it like that

Can I have it like that?

You got it like that
