

# Slippin' and Slidin'

## Hurricanes

Slippin' and slidin' deep in Ohio  
Big sun a long time ago  
Slippin' and slidin' deep in Ohio  
Big sun a long time ago  
I've been told that you've been told  
I never be your fool no more  
Oh keep on knocking on a limo glass  
Good guys been through town  
Oh keep on knocking on a limo glass  
Good guys been through town  
Slippin' and slidin' , deep in Ohio  
I wont be your fool no more  
Guitar solo  
Vers 1
