

# I Surrender All

**William McDowell**

I surrender all, I surrender all

All to You I give.

(x6)(Spoken:)

Some of us are bowed down,

Some of us with our hands lifted;

We present ourselves to You

Our lives, completely and totally.

We surrender to You,

And our answer, the word of agreement

Between heaven and earth is "yes."

Whatever You want to do, Lord...

We say yes to You.(Sung, worship leader ad lib; repeat each line as needed:)

We say yes, we surrender

I say yes, I surrender
