

Feel the Love

Cut Copy

All the girls I've known are crying
All the clouds have silver linings
Though the days are counting backwards
I know that you have the right words
Me and you
Over something to do
Could this be true
It all comes down to you
Hey, you, hey, you
All the girls of note are crying
All the clouds have silver linings
Me and you
Over something to do
Could this be true
It all comes down to you
Hey, you, hey, you
Hey, you, hey, you
