Help Me Make It Through the Night

John Holt

Take the ribbon from your hair
Shake it loose and let it fall
Layin' soft upon my skin
Like the shadows on the wallCome and lay down by my side
Till the early mornin' light
All I'm takin' is your time
Help me make it through the nightI don't care who's right or wrong
I don't try to understand
Let the devil take tomorrow
Lord tonight I need a friendYesterday is dead and gone
And tomorrow's out of sight
And it's sad to be alone
