

Green Queen

Summer Thieves

When you got something going on
and you don't know what to do
like a lost traveller in time
floating like a balloon
when one thing's telling you no
and the other's saying please
I've got an addiction personality

Oh, Oh, it's been that way since he was fifteen
Oh, Oh, and he's in love with the green queen
Oh, Oh, it's been that way since he was fifteen
Oh, Oh, and it's a struggle
It's a real thing real thing

When the world keeps asking you questions
But the ink in your pen descends
And you're lost with no reception
