

Giorno Dopo Giorno

Kelly Sweet

Now I'm staying here
Don't want to leave
With you, I already know
I don't have to resist anymore
Its like fear is gone
Like if everything took me to you
Only to you

And day after day
I want more and more of you
I want to have you in my eyes when its dark
Then when you'll need a truth
Ill be there with you

Just like that the way you are
You're beautiful like never before
Because you already know
You're my reason to exist
And when in me a doubt is born, I don't know
You're always ready to pull me to you
Only to you

And day after day
I want more and more of you
I want to have you in my eyes when its dark
Then when you'll need a truth
Ill be there with

You Ill be
With you Ill live
With no more fears
Together we united then
Forever Ill stay with you

I want more and more of you
I want to have you in my eyes when its dark
Then when you'll need a truth
I'll be there with
