

# Bad Medicine

## Fidlar

you say you miss her  
and it's hard to be apart  
until the next girl you see  
when you're drunk at the bar  
you ask me why you do it  
i couldn't care less  
i just smile and shrug  
no i wont say shit  
about that bad medicine  
that silver spoon  
that you always had  
well you bent it up  
and you burnt it black  
so i'll take the bottle  
you take that spoon  
i'll shoot at the bar you'll shoot in your room  
i'll drown my liver lie and say im sick  
while you shake in your room trying to kick  
that bad medicine  
you'll shake the needle and the damage is done  
but when it's time for "i'm sorry"  
cat's got your tongue  
we'll be fine without that bad medicine  
till you're blacked out drunk and you piss on me again  
we'll be fine without that bad medicine  
till you're blacked out drunk and you piss on me again  
it's just that bad medicine
