

# Heal Me, I'm Heartsick

## No Vacancy

Heal me, I'm heartsick  
I'm hungry and I'm broken  
I'm haunted, and weeping  
The blood of heaven flowing like a river tonight, tears i can't fight on my own  
I'm a haunted, heaving, I'm hung and barely breathing  
The drowning ocean, snuff the sun in motion.  
There's a pill on my tongue, a shot from a gun , the bottles bottom  
I'm lonely as a star(Chorus)  
So heal me, I'm heart sick  
Hungry, thought I could survive on you  
Heal my heartsick hungry cry  
I'm heartsickFather, free me. mama , woman, feed me.  
Child of fury, lost his way but don't worry.  
I won't stop til the dawn,  
Though I'm in too long on the run i grow strong and restless as a storm(Chorus)\*guitar solo\*Heal me  
I'm heart sick  
I'm hungry and I'm broken  
I'm haunted, and weeping  
The blood of heaven flowing like a river tonight  
Tears i can't fight on my own(chorus)x2
