

# I Can't Be Bothered

[Miranda Lambert](#)

I can't be bothered to miss you anymore  
Month twelve, day thirty-one and hour twenty-four  
I used to think if I missed hard enough, you'd come back for sure  
And I can't be bothered now to miss you anymore It's not like I don't have tears to cry  
Such memories, so little time  
This box of photographs to go through one by one  
There's just so much work to get done I can't be bothered to miss you anymore  
Month twelve, day thirty-one and hour twenty-four  
I used to think if I missed hard enough, you'd come back for sure  
And I can't be bothered now to miss you anymore When you skipped town I was such a mess  
So I found some things to do instead  
Trick is to find something to occupy your mind  
Now I spend most days chasin' mine
