## Ministry

Gentlemen we have called you together to inform you  
That we are going to overthrow the United States government  
Do you still think that jet fuel brought down the World Trade Center?  
Does anybody else see a problem here?  
If the government has nothing to hide  
Why are they so afraid to answer a few questions?  
This story does not add upI'm on a mission to never forget  
3,000 people that I've never met  
We want some answers and all that we get  
Some kind of shit about a terrorist threat  
Lies lies lies lies lies lies  
Lies lies lies lies lies lies  
Lies lies lies lies lies lies  
Surprise surpriseLies liesI'm on a mission to dig up the truth  
You think we're stupid and there's no proof  
Well let me tell you that the time has come  
To pull the trigger on the smoking gun  
Lies lies lies lies lies lies  
Lies lies lies lies lies lies  
Lies lies lies lies lies lies  
Surprise surpriseLies lies lies liesDon't listen to me listen to your head  
Don't listen  
Don't listen to anything, they've said  
Don't listenLies lies lies liesAmerica has been hijacked  
Not by Al Qaeda, not by Bin Laden  
But by a group of tyrants  
That should be of great concern to all AmericansI'm on a mission to bring out the facts  
You got your stories but they all have cracks  
Misinformation, lies and deceit  
What made you think that we were all asleep  
Lies lies lies lies lies lies  
Lies lies lies lies lies lies  
Lies lies lies lies lies lies  
Surprise surpriseLies lies lies liesDon't listen to me listen to your head  
Don't listen  
Don't listen to anything, they've said  
Don't listenLies lies lies liesDon't listen to me listen to your head  
Lies lies lies lies
