

Hero Forever

Meridian

Watching you fade into the dark
^ ^ ^ ^ ^ ^ And i want you beside me
^ ^ Heading for the place we reign
^ ^ ^ ^ ^ ^ You show me your silence
^ ^ ^ ^ ^ ^ ^ ^ ^ ^ Anyway to rule alone
^ ^ ^ ^ ^ ^ ^ ^ Your judgement hiding
^ ^ ^ ^ ^ ^ ^ ^ If i get you by the neck
^ ^ ^ ^ ^ ^ Ill show you the high noose

^ ^ ^ ^ Can i be the one for you forever
Give me powers to be the Hero forever
^ ^ ^ Here i stand on my solid ground
^ ^ ^ Fading away in your arms again

^ Watching you on your throne again
^ ^ ^ ^ And i want you beside me
^ ^ ^ ^ ^ ^ ^ ^ ^ ^ Anyway to win it all
And you show me your silence
Counting the days before we met
Ur judgement hiding
Heading for the plave we reign
I will show you the high noose

Can i be the one for you forever
Give me powers to be the hero forever
Here i stand on my solid ground
Fading away in your arms again

Guitar solos

Can i be the one for you forever
Give me powers to be the hero forever
Can i be the one for you forever
Give them powers to be the hero forever
Here i stand on my solid ground
Fading away in your arms again
Here i stand on my solid ground
Fading away in your arms again
Your arms again

Your arms again

Your arms again
