Monophobia (feat. Rob Swire)

deadmau5

Inside my head, there's a little place left for you
What do you know?
What do you know?
And all I want is to find out what you're going through
What do I know?
Maybe this silence is dangerousInside my head, there's a little place left for you
What do you know?
What do you know?
And feel what's inside you
I wanna come over
And see what you've found
See if you're hurting
After tearing me down
It's the rain of denialIt's the way that you're faking
All the tears in your eyes
Feel like I'm in slow motion
TonightAnd all I want is to find out what you're going through
What do I know?
Maybe this silence is dangerous
I wanted to hide
Now, I just wanna find you
And feel what's inside you
I wanna come over
And see what you've found
See if you're hurting
After tearing me down
It's the rain of denial.
