Stop Cheatin' On Me

Shanice

I don't need a lover boy
Baby I need a man
I told you that
Time and time again

So past
Don't even make me laugh
(Giggle)
You don't stop
I'm gonna kick your
(Beep)

See I'm not dependent
On 1 lil 2
Nor 3 lil Indian dreams
You gonna make me scream

Stop cheatin' on me
Stop cheatin' on me
Stop cheatin' on me
Stop cheatin' on me
Cheatin' on me

I thought you were better
But, boy I was wrong, oh so wrong
You thought you were so clever
Until you got caught

Boy ain't it a shame
How you've been untrue
Baby, I'm not your fool
I know all about those games
I said it's nothin' new
I'm not gonna be used

Stop cheatin' on me
Stop cheatin' on me
Stop cheatin' on me
Stop cheatin' on me

Cheatin' on me

Hey, my mama told me
'Bout boys like you, the things you do
You like running so carefree
Doin' what you choose

Don't you know I've tried
To believe in you
But you were up to no good
I'm not gonna fuss and fight
What's the use?
I either get it right or get it cut loose

Stop cheatin' on me
Stop cheatin' on me
Stop cheatin' on me
Stop cheatin' on me
Cheatin' on me

Don't come to my house, baby
If you're gonna be a dawg
Just cheatin' on me
Don't come to my house baby
If you're gonna be a dawg
Just cheatin' on me
I don't know who he thinks he is dawg

You're playing the roll
Lover boy like ya, high post
With girls in the street
Seems when you try most
To be all that you can be but see
I ain't the one to be played

Shanice is pickin' the pace up
Shoe strings laced up
You know what I'm sayin'
Stop wine in keep ya, face up

Baby
Gotta believe it's driving me crazy

Don't you know I've tried
To believe in you
But you were up to no good

I'm not gonna fuss and fight
What's the use?
I either get it right or get it cut loose

Stop cheatin' on me
Stop cheatin' on me
Stop cheatin' on me
Stop cheatin' on me
Cheatin' on me

Hey my daddy told me about the things
You do
If you wanna be with me, here's what you gotta do
Get your act together don't play me for no fool
Either get it right or get your butt cut loose

Stop cheatin' on me
Stop cheatin' on me
Stop cheatin' on me
Stop cheatin' on me
Cheatin' on me
