

Gun.

My Chemical Romance

"We could get somebody else,
but we want someone like you." [x6]Well, as soon as I get my gun
I'll point it out the window at the setting sunAs soon as I get my gun
I'll tell you all about it when you fall in loveAs soon as I get my gun
I'm gonna make a callWell as soon as I get my gun
Get my gunWell the uniform isn't fun
They make it like we give 'em out to anyone
As soon as we get your gunA hackle for a pistol is a lot of fun
It's just the kind of place we run
Because the government
Because the government wants your gun
Wants your gun
WhoaWell, if I'm old enough to die for your mistakes
Let's go
Can we bleed enough to fill up what the engine takes?
We don't know
But if you're watching, up above
They're teaching me to kill
Who's teaching me to love?
Now baby
Isn't it crazy?Well as soon as I've got my gun
Put me on vacation underneath the sun
As soon as I get my gun
I'll holler and flash it at my belting blood
Out on the sand
We're like a hold from a IED
'Cause I'm holding up my gun
Holding up my gun
YeahAnd if I'm old enough to die for your mistakes
Let's go
Can we bleed enough to fill up what the engine takes?
We don't know
And if you're watching, up above
They're teaching me to kill
Who's teaching me to love?
Now baby
Isn't it crazy?As soon as I get my gun
(Don't even have a gun!)As soon as I get my gun
(Don't even have a gun!)As soon as I get my G - U - N

(Don't even have a gun!)I'm standing out in the S - U - N
(Don't even have a gun!)I'm never gonna have a son
(Don't even have a gun!)She's never gonna have a son
(Don't even have a gun!)I'm never gonna have a S - O - N
And now I'm never gonna have a S - O - N And if I'm old enough to die for your mistakes
Let's go
Can I bleed enough to fill up what the engine takes?
We don't know
And if you're watching, up above
They're teaching me to kill
Who's teaching me to love?
Now baby
Isn't it crazy? As soon as I get my gun
(Don't even have a gun) [x7] Well, as soon as I
As soon as I get my gun
